Dates for your diary

22nd January 2019: Book restaurants up to 180 days in advance of the first day you purchase your Disney parks tickets for.

21st June 2019: Book Fastpass+ 30 days in advance of the first day you purchase your Disney parks tickets for (non-Disney hotel guests).

Pro Tip: Do not miss this date - Disney hotel guests can book Fastpasses from 60 days, so the passes available to you will already be reduced. Fastpasses are the best way to reduce the wait on some of the most popular rides/attractions.
